Volunteer Programs

Volunteers provide countless hours of support for the work of the VNAH and for our clients. There are many ways of volunteering. Please review the volunteer program list us to see if your interests, skills and availability match any of our many needs.

**To enroll in any of these programs
or get more information
call (888) 300-8853.**

Hospice Volunteer

Assigned to one patient at a time, Hospice volunteers provide emotional support and practical help to patients and their family members and friends. Activities may include:

- Engaging in conversation; listening
- Preparing a meal; shopping
- Reading aloud books or newspapers
- Playing cards, games, or sitting in quiet companionship

* 15 hours of training and background check required.

Trainings are on-going and provided throughout the year.
